

Since 2007, First Step Staffing has helped thousands of people experiencing or at-risk of homelessness, recently released from prison, and struggling veterans secure employment and earn the income necessary to attain and sustain stable housing.

Our Mission is to empower individuals with employment and income to take the First Step on the path out of poverty and homelessness.

Our team also supports our clients through the next steps necessary to retain employment and sustain housing:

Transportation to & from work.

Ongoing job coaching.

Housing referrals & placement assistance.

Workforce & Economic Mobility through "Second Step" training & certifications.

How does it "work"?

- Community partners refer their clients to First Step.
- Individuals seeking employment attend a mandatory orientation, hosted at our offices, daily at 9:00 am.
- Job coaches match clients with open positions.
- Clients start to earn an income within 24-28 hours.

Open House

Join us for a drop-in Open House and lunch on May 25. Invitation to be emailed soon.
